DETAILED ACTION

1. Claims 1-7,9-25,27-39 and 49-52 are allowed.
2. The following is an examiner's statement of reasons for allowance: none of the cited art discloses a material encasing the antenna and having an external shape different from the antenna shape, wherein the material facilitates attachment to an external surface of the transformer enclosure, and an interface coupling the antenna to the communication device disposed with the transformer enclosure; or a protective material and an antenna embedded in the material and located external to the transformer enclosure; or a communication device located within the transformer enclosure that is disposed at or below ground level and wherein the communication device comprises a first transceiver communicatively coupled to the antenna and a first modem communicatively coupled to a power line.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to HoangAnh T. Le whose telephone number is (571) 272-1823. The examiner can normally be reached on 8:00am-4:30pm.
